Vacant apartments are offered to individuals and families on a first come, first serve basis. The management for Sycamore Crest will review all applications to determine eligibility for residency at Sycamore Crest with the following criteria.

All persons interested in an apartment must complete and submit an application for tenancy. All applications are numbered and logged according to the date they are received in our office.

Resident Selection/Eligibility Criteria

1. At least one member of the household must be 55 years of age or older, all other members of the household must be 30 years of age or older. All applicants whose incomes are being claimed for the units will be required to be leaseholders.
2. All applicants must be legally capable of entering into a Lease Agreement. Clarification of legal status may be requested.
3. All applicants must be income eligible. The maximum incomes are listed on the following page.
4. All applicants must be income eligible as defined under Section 42 of the Internal Revenue Service Code.
5. Applicants must have maintained a satisfactory credit history. Outstanding debts, liens, or judgments exceeding \$500.00 will generally be cause for rejection, unless the applicant can demonstrate that the debits are being paid off on an active basis. Management will require an additional security deposit in the event of this case. Lack of credit history is not sufficient justification to reject an applicant. Rejection for any of the above will be considered rejection due to derogatory credit.
6. Prior landlords will be contacted for references. Applicants will be rejected if they have a history of any of the following: Repeated late payment of rent, failure to pay rent or other charges, public disturbances, damage to the living unit of the property of others, physical or verbal attacks on others, or a history of poor housekeeping. Rejection for any of the above will be considered as derogatory residency history.

7. Applicants may be rejected if anyone in the household has been convicted of a drug related or violent offense, which is documented in public records. Rejection for the above will be considered derogatory public records.
8. Applicants will be rejected if they fail to respond to request for verification of any of the following above information within a time frame specified, or providing false information on the application.
9. In the event of rejection, applicants will be notified in writing and given 14 days to respond in writing to request a meeting to discuss the rejection in person. If rejection is due to criminal history, the applicant has a right to request a meeting and present evidence of rehabilitation for review.
10. Apartment vacancies will be offered to the next eligible applicant on the waiting list, if any, who has provided all necessary and requested information and/or documentation to Sycamore Crest. The eligible applicant must accept the first vacancy offered unless clear evidence of inability, such as, but not limited to:
